What is Genius Hour?

an hour every Friday
to work on a project
you like and you are interested
in

What is your passion project?

To find out what
makes people happy

Why do you like genius hour?

It is a hour when you
just get to do what you
want to do and what
you like.

What are you learning by participating in genius hour?

It is okay not to succeed
right away. Just keep trying
and you'll get there.

Elan

yes

What is Genius Hour?

Genius hour is a time to do research about our passions and make it into a project.

What is your passion project?

Model of a soccer stadium

Why do you like genius hour?

because we get to research about things we're passionate about.

What are you learning by participating in genius hour?

I learned that you have to be patient which I am still working on and it takes effort.

What is Genius Hour?

Genius Hour is like and research it and make a project on it. you pick something you

What is your passion project?

My project is making my own ski's.

Why do you like genius hour?

I like it because you get to choose what you are passionate about and you see what other people like and you get to choose any project.

What are you learning by participating in genius hour?

* I'm learning how to make better questions and learn how to make ski's.
